

Westwood Historical Society Contribution Form

The Westwood Historical Society, Inc. was established in 1965 to ensure that the unique history of Westwood would be preserved and shared with the community. The Society is a non-profit organization which promotes historical work, research, and education.

The Society relies on membership dues and donations to support our ongoing efforts to preserve and share Westwood's heritage. Membership dues support our ongoing expenses (e.g., maintaining the 1845 Fisher School and managing our archives and collection). Contributions that are in addition to membership dues support our fall and spring programs as well as our 1800s School Day for all Westwood third-graders, and provide for special expenses (e.g., significant acquisitions and major restorations to the building itself).

The Westwood Historical Society is a 501(c)(3) non-profit organization and both dues and additional contributions are tax-deductible. The Society is also eligible for matching contributions from your employer.

To make a contribution, please complete this form and mail it to the PO Box address.

.....
Name: _____

Address: _____

E-mail: _____ **Phone:** _____

Contribution Amount: _____

Do your contributions qualify for employer matching contributions? Y/N ____
